Outreach Activities 2017-2018

- ! On March 17, 2017 WBBZ-TV Station Owner Phil Arno spoke to students from the Communications Department at Medaille College. The dialogue with the students focused on real experiences and the need to know how to prepare for a career in television. The communication students also had the opportunity to visit the WBBZ-TV studio and see a TV production come together.
- ! WBBZ-TV is committed to giving college students a hands-on internship experience that includes working on local station productions, social media promotion, event coordination and general assignments.

WBBZ-TV has officially reached out to internship coordinators at Medaille College; the University at Buffalo; Buffalo State College; Canisius College, Niagara County Community college; Erie Community College, and Daemen College seeking interns. WBBZ-TV has also fielded inquiries from students at other colleges interested in participating with the station.

In 2016, WBBZ-TV offered a diverse group of students an opportunity to learn and grow at our independent television station.

(Spring 2017)

WBBZ-TV hosted an intern from Medaille College.

Description: Interns for WBBZ-TV work on many projects tied to locally-produced programs and commercials. Interns have an opportunity to get “hands on” experience with studio and remote field cameras for live productions. Interns assist in producing segments, booking guests, social media promotion and doing research for a variety of subjects ranging from sports to public affairs. In addition, interns get an opportunity to work with the Sales Department in understanding the business of television and interacting with clients.

(Summer 2017)

WBBZ-TV hosted an intern from RIT (Rochester Institute of Technology).

Description: Interns for WBBZ-TV work on many projects tied to locally-produced programs and commercials. Interns have an opportunity to get “hands on” experience with studio and remote field cameras for live productions. Interns assist in producing segments, booking guests, social media promotion and doing research for a variety of subjects ranging from sports to public affairs. In addition, interns get an opportunity to work with the Sales Department in understanding the business of television and interacting with clients.

(Summer 2017)

WBBZ-TV hosted an intern from Buffalo State College

Description: Interns for WBBZ-TV work on many projects tied to locally-produced programs and commercials. Interns have an opportunity to get “hands on” experience with studio and remote field cameras for live productions. Interns assist in producing segments, booking guests, social media promotion and doing research for a variety of subjects ranging from sports to public affairs. In addition, interns get an opportunity to work with the Sales Department in understanding the business of television and interacting with clients.

(Fall 2017)

WBBZ-TV hosted an intern from the University at Buffalo.

Description: Interns for WBBZ-TV work on many projects tied to locally-produced programs and commercials. Interns have an opportunity to get “hands on” experience with studio and remote field cameras for live productions. Interns assist in producing segments, booking guests, social media promotion and doing research for a variety of subjects ranging from sports to public affairs. In addition, interns get an opportunity to work with the Sales Department in understanding the business of television and interacting with clients.
